

**PETITION TO THE GOVERNMENT OF CANADA:**

**Whereas:**

- Recommendation 430 of the House of Commons Finance Committee's pre-budget report proposes removing the *"advancement of religion"* as a recognized charitable purpose under the Income Tax Act;
- Religious charities in Canada provide vital services to society, including food banks, care for seniors, family supports, assisting newcomers, youth programs, and mental health outreach — all rooted in their faith traditions;
- These communities promote hope, belonging, social cohesion, and compassion, benefiting both their members and the public;
- Freedom of religion and belief are fundamental rights in Canada, protected by the Charter of Rights and Freedoms

**We, the undersigned, citizens and residents of Canada, call upon the Government of Canada to:**

1. Reject Recommendation 430 of the House of Commons Finance Committee's pre-budget report;
2. Refrain from including this recommendation in the federal budget or any related legislation; and
3. Affirm the charitable status of faith-based organizations whose work results from sincerely held beliefs and whose contributions serve the common good in Canada.
