

## PETITION TO THE GOVERNMENT OF CANADA:

**Whereas:** the Government's firearm buyback program burdens taxpayers without making our streets safer;

**And Whereas:** The projected cost of the entire buyback program could reach \$6 billion to seize a fraction of the guns now banned;

**And Whereas:** The Government's pilot program in Cape Breton, Nova Scotia only collected 25 firearms from 16 individuals;

**Therefore:** We, the undersigned residents of Canada, call upon the Liberal government to end its firearm buyback program and instead direct resources toward combating illegal gun smuggling and gun modifications.
